

Per Colorado House Bill HB21-1162, beginning January 01, 2023, businesses meeting the criteria outlined in the bill will be required to collect \$0.10 per recycled paper carryout bag or single-use plastic carryout bag provided to a customer at the point of sale.

Of this fee, \$0.06 per bag must be remitted to the Town of Granby on a quarterly basis. The Bag Fee Report is due on the 20th of the month following the quarter end.

First Quarter (January - March) -- Due April 20th

Second Quarter (April - June) -- Due July 20th

Third Quarter (July - September) -- Due October 20th

Fourth Quarter (October - December) -- Due January 20th

If bag fees due to the Town for a particular quarter do not amount to \$20 or more, the business may retain those collected fees until such time as they have accumulated at least \$20 total and remit in that quarter. However, businesses are required to submit information quarterly whether revenues exceed \$20 or not.
