Re: PD Vehicle Purchase

---

**Summary:** Approval sought for purchase of fleet patrol vehicle.

A 2021 Chevrolet Tahoe was ordered at the end of 2020 due to fleet rotation standards. This purchase has not been approved by the Town of Granby and would need approval to be finalized.

There are currently five operational patrol vehicles for road operations. We have two officers sharing a vehicle and are down a position. There are two non-operational vehicles, one of which needs to be retired and one that needs constant repairs. The addition of the requested fleet vehicle makes the fleet current with needs and staffing.

The vehicle purchase will be from John Elway Chevrolet. The police package will be installed by LAWS and the decals will be added by a local business, Triple V.

Staff is looking into surplus an existing vehicle. This is done through the state bid process

**Financial Impact:** \$53,156.14 plus decaling

**Recommendation:** Staff would recommend the approval of purchase of this vehicle. This has been budgeted for through the fleet fund with a budgeted amount of \$55,000.
