Re: CVRF Funding Update

Summary: The Town was awarded a little over \$103,000 in funding for Coronavirus relief. The Town did receive an initial distribution of just under \$80,000 to reimburse for costs associated with funding spent by the Town. There is just over \$24,000 remaining.

The remaining funding will be used for additional costs we have incurred that can be associated with Coronavirus. There should be some remaining funding available and that planned to be used to purchase PPE to benefit the testing efforts as well future needs.

Financial Impact: N/A

Recommendation: Discussion only.
