

Nuche Village Public Transit

In order to access public transportation, our residents can walk .3 miles to the current Granby Regional Commuter Lift bus stop located at Middle Park Health. This takes riders to Tabernash, Fraser, and Winter Park. This fixed route bus picks up 7 times a day from 5:58am - 10:43pm.

There is also access to the paved section of the Fraser/Granby trail that allows pedestrians and bikers to access downtown Granby or the grocery store.

Other options for public transportation include the Granby Bustang Interregional Express service to either Denver's Union Station or west, to Kremmling, Steamboat Springs, and Craig.

GRANBY CONNECT
ON-DEMAND SHARED RIDES

Granby Connect is your easy and affordable way to travel through Granby. Within the service area, you can use the Granby Connect app to schedule a pick-up near your front door or a common meeting area and get dropped off at your Granby destination.
